

EC3 Motor & Leasing provides sales and Short/Long Term rental of pallet jack, diesel forklift, electric forklift & scissor forklift. The average fleet age of their vehicles is about 3 years old, which then youngest fleet in the market. Furthermore, they are backed by their own workshop, there is no need for worry of vehicles breaking down.

EC3 Motor & Leasing values customer service as their top most priority can be seen from their 24 hour service. The rental charges are also very reasonable.
